MEMORANDUM

Listed below is a summary of the minority (MBE) and woman-owned (WBE) contract awards, and the minority worker participation in the construction of the New Jersey Performing Arts Center.

Total contract awards to MBE firms	\$21,303,000
------------------------------------	--------------

Total contract awards to WBE firms	\$6,206,774
------------------------------------	-------------

Minority Worker Participation

Total hours worked by minorities **	303,446 (39%)
-------------------------------------	---------------

Total Wages Earned by Minority Workers	\$7,107,709
--	-------------

**Minorities worked in every trade (skilled and unskilled) which were required on this project.

Both totals (contract awards and worker participation) represent the highest such participation on any construction project in the history of the State of New Jersey.
